

**2<sup>nd</sup> Position in all Pakistan Business Plan Competition at “2<sup>nd</sup> Invention to Innovation Summit 2016 ”**  
**November 16-17, UET Peshawar.**

Our students from Management Sciences Department got 2<sup>nd</sup> position in all Pakistan Business Plan Competition at the “2<sup>nd</sup> Invention to Innovation Summit 2016” held at UET,Peshawar on 16-17 November,2016. ORIC and Management SciencesDepartmentjointly initiated this step and workedout on two projects “Kumrat Trout” and “Kumrat Tour & Travels”.Both of the business plans were designed and presented well at the session. In this competition about 18 teams from different universities and institutes participated. Both the plans received praise from the Judges and audience on the occasion. However, one of the team “Kumrattrouti” was awarded second position in the competition with distinction. We extend our heartiest gratitude to all the students, faculty members and the entire SBBU,Sheringal,Dir(U) on this occasion.
