| Mr. Mumtaz Badshah | Dr. Abid Ullah | Prof. Dr. Niaz Ali |
| Mr. Salman Shahid | Dr. Abid Ullah | Prof. Dr. Niaz Ali |

However, in future, the appointment of a co-supervisor for Ph.D. scholars shall be subject to specific codal formalities. The Graduate Studies Committee (GSC), upon the request of the Supervisor, must justify the appointment by demonstrating the co-supervisor's distinct expertise, measurable contributions, complementarity with the primary supervisor, and clear benefit to the candidate. A Co-Supervisor Contribution Plan (CCP) shall be jointly prepared, outlining specialized contribution areas, quantifiable commitments in terms of time, resources, and deliverables, expected outcomes, and mechanisms for monitoring contributions. The GSC shall rigorously review and endorse the CCP only after confirming academic soundness, substantive contributions, alignment with institutional standards, and demonstrable benefit to the candidate. Furthermore, the GSC and Supervisor shall ensure that every appointment strictly complies with the Higher Education Commission (HEC) policy on co-supervision before forwarding the proposal for final approval. The Director ASRB shall also prepare a Co-Supervisor consent form, where the requirements shall be incorporated.

NOTIFICATION

The Advanced Studies and Research Board (ASRB), at its 39th meeting held on 10.12.2025 in the Committee Room of the University Guest House, under agenda item No. 5.1, endorsed the recommendations of the 14th Graduate Studies Committee (GSC) of the Department of Chemistry regarding the replacement of Dr. Nasir Mehmood with Dr. Noor Rahman (Assistant Professor, Department of Chemistry) as the research supervisor of Ph.D. scholar **Mr. Gul Mali Khan**, on technical grounds, since the previous supervisor belonged to the Department of Agriculture. However, the scholar's synopsis was referred back to the GSC for reconsideration due to various deficiencies enlisted below. It was further directed that the revised synopsis be reviewed and corrected by the first week of March 2026.

Observations:

1. Include any missing citations and update the literature review with recent and relevant references.
2. Review and refine the aims and objectives; add at least two more objectives, ensuring each has a clearly defined methodology described in detail.
3. Strengthen and update the scholar's background knowledge.
4. The supervisor should assist the scholar in clarifying the synopsis, particularly regarding objectives and methodology.
5. Ensure the synopsis follows the University's prescribed format.
6. **The following University format must be ensured in the revised synopsis:**
 - a. Title of the synopsis (topic) should be at the top of the title page and must be in 16 fonts while all other details should be below the Monogram and in 14 fonts
 - b. The Monogram should be one inch from all sides
 - c. Paper size should be selected as letter sized with Normal Margins (one inch from all sides),
 - d. Time New Roman Style with 12 fonts size, 1.5 line spacing & justified text (ctrl+J,) in the rest of the synopsis text
 - e. The University name should be in capital letters and bold with 22 fonts and the university address etc should be in capital letters and bold with 16 fonts at the bottom of the title page.
